THE PROGRAM

Junior Leadership kicks off with a reception at the Chamber with the participants, Directors of the Chamber, Leadership Lake Norman Alumni, and various elected municipal officials. This is followed by a one-day retreat combining team building and diversity training. The program continues for six months in one-day sessions.

Area leaders in business, government, media, education, health care, and tourism enlighten the participants about the resources, infrastructure, and facilities available to Lake Norman citizens. During each session the group will look at topics ranging from crime and law to community infrastructure.

Junior Leadership Lake Norman is a program sponsored by the Lake Norman Chamber to develop a group of informed, committed, and qualified young individuals capable of providing visionary and progressive leadership for their futures as well as the Lake Norman Region.

The program is an in-depth study of management styles, personalities, and involved activities to illustrate positive leadership opportunities. Taking place over a seven-month period, participants in Junior Leadership Lake Norman have a chance to tour facilities, participate in informative seminars, and are enlightened to the resources available to them in the greater Lake Norman area.

Once participants have completed Junior Leadership Lake Norman, they will be well informed, and have a foundation for implementing their knowledge and skills to become a progressive citizen and leader in the great Lake Norman region.
